To Whom It May Concern:

TRAC is proud to announce that the 12<sup>th</sup> Annual TRAC Community Run/Walk will be taking place on **Sunday, May 28, 2017** to promote a healthy active community with a focus on engaging youth participation. The race also offers other fun activities such as a bouncy castle, local musicians and post nutrition stations.

Over the past few years, the TRAC 10K/5K/3K Run/Walk has become a popular and well-attended event. This year a 1.50K Kids Fun Run is included in celebration of Canada 150! Thanks to your support, TRAC is able to promote a stronger, healthier community and we hope that you continue to offer us your support in the future so that we can grow even more!

TRAC was built on the concept of a 'towne within a city' and promotes community coming together to create environments that are fun, safe and educational for all who attend. Therefore, events such as the TRAC Community Run/Walk would not be possible without the continual support of people like you. We appreciate your assistance in these endeavors and we want you to know that your support has allowed us to make those environments even stronger and long lasting than we could have ever done on our own.

TRAC has used funds from this event to help build components of the Terwillegar Community Recreation Centre, support various community groups, the TRAC Community Office at the Terwillegar Recreation Centre which serves all of the communities in the Terwillegar/Riverbend/Windermere areas. It is an information hub, supports Brander Gardens ROCKS which is a family outreach program providing all kinds of support to the community, the Edmonton Youth Talent Show (EYTS), Community Wines, and the Southwest Edmonton Farmers' Market (SWEFM) to name just a few.

This year funds will go to programming and infrastructure to support TRAC and all community leagues in Area H (Terwillegar/Riverbend/Windermere). To successfully launch all the ambitious plans we have for our community is no light task, but with your future support, we'll be able to build upon the foundations of community spirit and make it happen!

The name of any business or organization providing a sponsorship donation will be displayed during the event and recognized in both the Riverbend Ragg-Times and the Terwillegar Tribune.

If you would like to donate funding or prize to this event please contact Karin Shott at 780-439-9394, or email the TRAC Community Office: [tracmail@tracspirit.ca](mailto:tracmail@tracspirit.ca)

Thank you for taking the time to consider our event.
